Overview of programme:

Training programme on trash collection and disposal was organized by Narayana Pharmacy College ,which is very much useful for the people working in laboratories, colleges, institutions and hospitals. The trash collection and disposal programme was initiated to address the increasing waste management challenges faced by the college premices and laboratories. The primary objectives were to improve efficiency in waste collection, reduce environmental impact, and promote sustainable waste disposal practices. Resource person made the session very interesting and the participants enjoyed the session with joyful experience
