REPORT ON WORLD ENVIRONMENT DAY

World Environment Day (WED) occurs on 5th June every year for encouraging worldwide awareness and action for the protection of our environment. Narayana Pharmacy College,eco club unit celebrated World Environment Day on 05 June 2019 and organized a tree plantation drive. This year's theme for World Environment Day 2019 is "Beat Air Pollution".

The principal was invited to be the guest at this event and to help the college to promote the importance of planting trees. The tree planting program started around 9:30 AM. The first tree was planted by Dr.K.Harinadha Baba, He said, "Humans have an unbreakable relationship with the environment, so today everyone needs to be punished for environmental protection and as responsible citizens, we have to contribute equally to it". Principal suggested that every student should at least plant one tree per year as it will help the world to fight against global warming. As a token of our effort towards the protection of the environment and restoration of environmental quality, over 36 students along with staff participated in the event.

250 saplings of the same plant species were planted within the premises by the staff members and students. The program ended with a pledge to grow more trees to lessen air pollution and mobilize helpful environmental action by all stakeholders. This was the combined effort from the team and programIncharge, Mrs. M.Krishnaveni in the service of the environment on the very propitious occasion of World Environment Day 2019' with a pledge to make the maximum use of resources and ensure the long-term sustainability of life on earth. Vice principal Dr.S. Sujatha the EC Coordinator ended the event with a vote of thanks and appreciated the principal and the students for their presence. Rally was conducted on this occasion and students are actively participated in this rally with placards which are representing environmental related quotations.

ACTIVITY REPORT ON 72ND INDEPENDENCE DAY CELEBRATIONS

Narayana pharmacy College has to be conducted Independence day celebrations on 15-08-2019. People got their badges at the start of the day. When the flag was raised, Dr. K. Harinadha Baba, Principal of Narayana Pharmacy College, played the national song. Our students demonstrated a deliberate march past that demonstrated perseverance and methodology and was worthy of their work. Everyone was moved to tears by our chairman's incredibly patriotic and educational speech.

Ch. Lalitha delivered speech about that, the warriors who sacrifice their entire life to serve their country are portrayed in theatrical productions, fashion exhibits, group singing, and dancing. On August 15, 2019, there was immense pride and happiness for all Indians. On this day, we Indians remember the heroes and freedom fighters who sacrificed their lives for their nation and gave us freedom, happiness, and serenity. Narayana Pharmacy College proudly and actively commemorated the 72nd celebration of Independence Day.

Program end with National Anthem and Vote of Thanks by the student of Pharm D A. Bhavya.

REPORT ON BLOOD DONATION CAMP

Narayana Pharmacy College in association with NSS UNIT, and the Department of Pharmacy Practice held a Blood Donation Camp on the campus on 1st October 2019. Dr.K. Harinadha, Principal of Narayana Pharmacy College, inaugurated the event and also participated in the event by being a blood donor too. Over 30 students participated in the program along with faculty. There were about 20 donors in total. On this occasion, he spoke about the importance of blood donation, a single pack of blood can almost save about 4 lives at the same time, in turn donating 4 times a year can save up to 16 lives in total by a single donor. In this way, when many people donate, many lives could be saved. He, distributed apples and energy drinks to every donor. The student coordinators, Mrs.Sksalma, Mr. A. Avinash and Ms.C L Sindhura made this event a grand success under the guidance of NSS

Report on National Pharmacy week on 18-24 November 2019

58th National Pharmacy Week celebrations were held at Narayana Pharmacy College from 18-24 November 2019. The inaugural function was graced by the college Principal Dr. K. Harinadha Baba emphasized on the theme of the year- "Pharmacists for a Healthy India" and also stressed on antibiotic resistance. Later a lecture on Antibiotic Resistance was delivered by Dr. P. Yanadaiah and Dr. K. Arun Chand Roby. Students actively participated in several competitions including pharma quiz, essay writing, election and debate. An awareness rally by the students was held on 24 November carrying placards with slogans on the rational use of medicine motivating general public on hygiene, sanitation, use of drugs with the support of "Pharmacists- The Drug Experts". The celebrations concluded with a valedictory note by Dr. V. Chandra Sekhar, Professor and Head, Department of Community Medicine, Narayana Medical College and Hospital, Nellore. Vice- principal Dr. Sk. Karimulla, Pharmaceutics HOD Dr. S. Sujatha, faculty members and students made the event glorious and successful.

Activity report on pre-Pongal celebrations 2020

Pongal is a harvest festival celebrated by the Hindu community. It is a celebration to thank the Sun, Mother Nature and the various farm animals that help to contribute to a bountiful harvest. Celebrated over four days, Pongal, which is considered an auspicious month. It usually falls on the 14th or 15th of January each year. The history of the festival can be traced back to the Sangam Age and is considered as the Dravidian Harvest festival. But some historians claim that this festival is dated back at least 2,000 years old. According to the legends, during this festive season, unmarried girls prayed for the agricultural prosperity of the country, and for this purpose, they observed penance during the Tamil month of Margazhi, they abstained from the consumption of milk and milk products, didn't oil their hair throughout the month. The use of harsh words is strictly refrained by them. Narayana Pharmacy College had organized pre-Pongal celebrations on 12.01.2020 to create an impact of an ancient festival of people in South India. The history of the festival can be traced to the Sangam Age Le, 200 B.C to 300 A.D. college was so magnanimous in importing a typical hamlet with rural artisans to create an impact upon the Pongal festivity and our customs and traditions towards our young graduates. To mark this day as one of the highlighting milestones, the students and the whole team came in ethnic wear and traditional finery. It was a meticulously planned and well-organized celebration. The untiring team arranged cultural, for students took part in Rangoli competition and teaching and non-teaching team too showed their skills in tug of war. The coordinators of the event, Mrs. Ch. Lalitha and A Saranya brilliantly brought a true reality show which gave life to the dwellers of village for a day.

Report on "Plantation program"

The NSS unit of NPC has organized a tree plantation campaign on the premises of the NPC on 22.01.2020. Principal Dr.K. Harinadha baba presided over the function and educated the students on the importance of living in a lush green area which helps us to be psychologically strong and physically fit to lead a happy and better life. The Principal, 3 staff members, and other 30 students took part in the program enthusiastically. The slogan 'plant tree, save life' helped raise awareness regarding the environment. On the occasion, vice principal Dr.S. Sujatha said, "The plants are contributing to the environment in a great way. They deliver oxygen, improve air quality, support wildlife, preserve soil, and conserve water". He further added that by performing its function of photosynthesis, it pays more than it takes from the planet. She said that if trees are not planted in large numbers, all living creatures will have to bear the brunt of human carelessness. Climate change has impacted the world and only greenery is the solution to this crisis. Trees give us life-saving Oxygen, help reduce Carbon footprint and preserve the Ozone layer,"

ACTIVITY REPORT ON WORLD CANCER DAY

World Cancer Day is celebrated every year on February 4th to create awareness of cancer and its prevention. Between 2020 and 2022, the focus of World Cancer Day is to help “close the cancer gap.” This year marks the third and final year of the campaign. The theme for this year is “Together, we challenge those in power.” This theme encompasses the global demand for leaders to priorities and invests in cancer prevention and care and to do more to achieve a just and cancer-free world. Narayana Pharmacy College organized a cancer awareness program on February 4, 2020, at Narayana Pharmacy College. The program started with a prayer song sung by IV year B.pharm students, along with a welcome speech by Ms. Neha. Mr.A.Avinash, Asst.professor, gave a talk on the importance of cancer awareness. Dr. S. Sujatha addressed the Cancer Day theme. M.Krishnaveni highlighted the information on deworming. Later, 4th year Bpharm students Mr.Ashok and Ms Jessica presented on the causes of cancer, signs and symptoms, diagnostic measures, and prevention of cancer.. A Rally was conducted from Narayana Pharmacy College to surrounding regions who are the people lived in village areas from college to Dhana LakshmiPuram. After that the program was evaluated by conducting the quiz by Mrs. CH Lalitha. The prizes were distributed to the winners. The program was concluded with a vote of thanks by Ms. Sindhura. A total of 26 students and 15 faculty were the beneficiaries of the program.
