REPORT ON “BAN ON PLASTIC”

Narayana Pharmacy College has organized an awareness rally on Ban on plastic on 21-08-2021. on collaboration with NSS Unit of the NPC. The principal Dr.K.Harinadha Baba started the rally and he said that it is evident that it takes years to completely destroy a piece of plastic. We see tanks, roads and dustbins choked with plastic causing problems for our future generations. If we create more awareness of the concept of source segregations and provide alternatives to plastic bags, straws and plates (single use plastic), we can do our part in saving the earth”. But still people use the disposable plastics, without a concern for our future generation. So, in order to spread awareness amongst the public to reduce and replace plastic, a Rally was organized on 21 August 2021 by NSS Team Nearly 25 students and 6 staff members of Narayana Pharmacy College, Nellore, participated in the rally. Students started the rally with slogans to create awareness on the ill-effects of using the plastic. It's the responsibility of every citizen to save this earth Green for our future generation.
